Accessories for the Audi TT Coupé

Audi
Genuine Accessories

Audi Genuine Accessories. As individual as you are.

The Audi TT Coupé is not simply a means of transportation. It is also an expression of your own individual personality. Unique: A characteristic also made possible through the use of Audi Genuine Accessories. Products designed to enable you to realise your own idea of an Audi. You benefit from made-to-measure solutions that impress on account of their design and functionality. After all, creativity during the development phase and high production standards alongside the high number of testing procedures are all just as important to Audi Genuine Accessories as they are for each and every Audi vehicle. Discover what tailor-made solutions Audi Genuine Accessories has in store for you.

When it comes to design and quality, we are reinventing the wheel. Time and time again.

Where progressive design meets premium quality, it takes more than a good eye. Above all else, the right touch is required, for the right materials, for the absolute accuracy of fit and for the value of each individual component. That is why we are constantly improving our production processes, are always on the look-out for the best materials and regularly question our test criteria. Audi Genuine Accessory wheels are also testament to this ambition: These products undergo extensive testing to ensure a high level of quality. For example, wheels that are pre-damaged through simulated stone chips are sprayed with a highly corrosive acetic acid and saline solution over the course of several days. The wheels must then meet the stringent requirements of subsequent tests. To ensure this is the case, a complex casting process is used to deliver high component strength. In addition, the sophisticated multi-layer paint offers further protection against wear and ensures a high-gloss finish. A host of good reasons to opt for wheels from Audi Genuine Accessories – and show you have the right touch. Find out more about our current range of wheels from page 10 onwards.

Round off an Audi in true style. With cast aluminium wheels that are perfected prior to their production, by designers who give you their best. Designed and developed using high-tech tools, each cast aluminium wheel is a masterpiece.

**Comfort and
protection.**

Always in good hands – these products provide you
with even higher levels of comfort and protection in
your Audi TT Coupé.

A silhouette that stands proud. Unparalleled, for many years past and today. The new Audi TT Coupé, another milestone in a great success story. In every aspect of its appearance, like a body defined down to the last detail, flat wide and long. No contour is superfluous. Precise to the core with a clear objective: to delight with powerful aesthetics. The new Audi TT – one of the most progressive sports cars of our time.

Audi Genuine Accessories evolves this vision even further. Whether in stylish design elements, through intelligent transport solutions or using ideas that increase your level of comfort and protection. With the Audi TT Coupé, you do not need to make any compromises – even when it comes to the accessories.

Sport and design

More than just style.

An iconic sports car has to be designed from the ground up – starting with the cast aluminium wheels. In order to meet the exacting quality requirements set by Audi, these wheels must successfully undergo numerous testing procedures. Exhaustive casting processes are also used to deliver high component strength, while the sophisticated multi-layer paintwork gives the vehicle its sharp look and provides effective protection against scratches. Athletic characteristics, through and through – and consummate style.

01 Cast aluminium wheels in 5-arm rima design, Black, matt, high-gloss turned finish*

Exceptional design that works in harmony with your Audi TT. In dimensions 9 J x 20. For tyre size 255/30 ZR 20.

*Please observe the information relating to wheel and tyre sizes found on page 27.

01

01 Cast aluminium winter wheel in 5-arm falx design, Brilliant Silver*

Striking winter wheel in dimensions 7 J x 17 for tyre size 225/50 R 17. More winter wheel designs and sizes are available.

02 Valve caps

The four metal valve caps with embossed Audi logo provide enhanced protection for the valve against dust, dirt and moisture. Available for rubber, metal and aluminium valves.

02

Sport and design

03 Audi Genuine tyres (not pictured)

Specifically developed with the leading tyre manufactures for each corresponding Audi model using the very latest materials. Tested in approx. 50 testing procedures. The standards applied during testing are considerably more stringent than the statutory regulations. When additionally purchasing summer tyres or when fitting winter tyres, Audi Genuine tyres are able to ensure the usual Audi quality.

04

05

04 Snow chains

For increased hold on snow and ice. Available in a range of sizes. Refer to the owner's manual for wheel and tyre requirements.

05 Wheel bag

A four-part set with convenient handles for easy and clean transport and storage of complete wheels. Made from tear-resistant plastic. Wheel bolts can be stored in the outside pockets.

06 Foot rest and pedal caps in stainless steel
(not pictured)

Dazzling and practical at the same time: The foot rest and pedal caps are made from brushed stainless steel. The rubber coating on the surfaces ensures enhanced grip.

*Please observe the information relating to wheel and tyre sizes found on page 27.

Take freedom with you.

Benefit from the sportiness of the Audi TT Coupé – even after you leave the vehicle. Thanks to transport solutions from Audi Genuine Accessories. These include the new ski and luggage box featuring the distinctive Audi design and the high-quality bicycle fork mount. Intuitive handling, versatile capabilities and featuring a made-to-measure design – as you would expect from Vorsprung durch Technik.

01 Carrier unit – roof racks

Carrier unit for various roof rack modules, such as the bicycle fork mount, kayak rack or the ski and luggage box. The profile is made from anodised aluminium. The carrier unit is easy to fit and is lockable. Maximum permissible gross weight of the carrier unit, roof rack modules and load: 75kg.

02 Ski and luggage boxes*

A new design from Audi featuring improved aerodynamics thanks to a flatter, sportier visual concept. Platinum Grey roof box with Brilliant Black side blades and chrome-finished Audi rings for a high-quality, rivet-free look. The boxes are lockable and can be opened from both sides for comfortable loading and unloading. Featuring a simple quick-action securing system incl. torque limitation. Positioned towards the front of the vehicle, providing optimum access to the luggage compartment. Available in three sizes: 300L (right-hand image), 360L (page 16) and 405L (page 16). Maximum permissible load: 75kg. Further important information that will help you to choose the right roof box can be found on page 27.

01 Ski and luggage box (360L)*

02 Ski and luggage box (405L)*

*Detailed technical specifications can be found in the table on page 27.

03 Ski and snowboard rack

For easy transportation of up to six pairs of skis or four snowboards. Lockable. Can only be used in conjunction with the carrier unit.

03 ▲

04 Bags for roof boxes

Robust yet flexible. These bags are equipped with a watertight floor featuring a watertight border extending 5 cm upwards. Ideal for making full use of the Audi roof boxes, as it is possible to use the individual bags in various combinations. Available in three sizes: S (43L), M (76L) and L (82L).

04 ▼

Transport

01 Kayak rack

For single kayaks weighing up to 45kg. Can be tilted for easy loading and unloading. The kayak rack and elasticated belt can be secured separately. Can only be used in conjunction with the carrier unit.

01 ▲

04 ▲

02 Bicycle fork mount

Easy to use and lockable. Suitable for bicycles featuring a quick-release fastener on the front wheel. Maximum load: 17kg. Can only be used in conjunction with the carrier unit.

03 Front wheel holder

Made from anodised matt aluminium, mounted with anti-theft screws, completely pre-assembled. Not suitable for bicycles with a half axle.

04 Roof carrier bag

For storage or transport of carrier units and smaller roof rack modules. Made from durable material, with multiple loops and a side pocket for suitable tools or small parts. Available in two sizes.

Communication

Fast-paced entertainment.

The sound of the Audi TT Coupé enchants. But other sounds can also be played. Audi Genuine Accessories combines the driving experience with the sound experience via the USB adapter for the Audi music interface. All at the touch of a button. You can also access your music library, meaning it is not only the driving that provides outstanding entertainment.

01 USB adapter

Available in a range of versions, the USB adapter enables music and data to be transferred from various mobile telephones and other media players to the Audi music interface. The adapter can be operated via the infotainment system. Most devices can be charged via the USB adapter. The durable spiral cable with folding USB connector makes the adapter flexible and easy to use and ensures that less space is taken up than conventional cables. The special design also prevents the adapter from getting easily caught and provides great freedom of movement. For more detailed information, speak to your Audi dealer.

02 Audi USB memory key (not pictured)

The exclusive storage device that emulates the look of a genuine Audi vehicle key. Memory capacity: 8 GB. The special 90° position for laptops makes the device particularly convenient to use. Suitable for all vehicles equipped with a USB connection or the Audi music interface. Can also be used as a USB stick outside the vehicle.

Comfort and protection

Clean presentation.

An Audi TT Coupé cannot be shielded from astonished looks. However, it can be protected against many signs of wear by using the care products from Audi Genuine Accessories for example. If more storage space is required, our superbly tailored accessories allow you to retain your flexibility. A sports car can also be practical. And you will be amazed at just how practical.

01 Business bag

More space for your business tools. The high-quality business bag offers you a storage volume of approx. 14L – enough space for a laptop of up to 15 inches as well as the various other things you need for the office. Can be securely fastened to the rear seat bench or the front passenger seat using the three-point seat belt. It can also be used outside the vehicle as an attractive briefcase. Ask your Audi dealer for information about other functional interior solutions.

01 Luggage compartment shell

Made-to-measure luggage compartment protection. Robust and washable. The all-round edging prevents liquids from leaking onto the luggage compartment floor.

02 Universal luggage compartment divider (not pictured)

Enables the luggage compartment to be used in a flexible manner. Can be bent into the required shape and secured to the vehicle floor using the Velcro fastener. Once removed, the partition system returns to its original shape. Exclusively for luggage compartment covers made from needle felt.

03 Luggage compartment box (foldable)

Made from black polyester and offering a storage capacity of up to 32L. Easily assembled using Velcro tabs, providing a functional and practical solution. When laid flat, the box also acts as an additional protective underlay for the luggage compartment. Washable and easy to clean.

04 Child seat underlay (not pictured)

Tailored to the design of the child seats as well as the interior of the vehicle. Car seats are protected against dirt and potential imprints made by the child seats. Includes two practical storage pockets. Fully compatible with most child seats, even where the ISOFIX base is used.

05 Vehicle cover

Ideal fit, in Anthracite, bearing the Audi logo. Made from a breathable and antistatic material. The piping accentuates the shape of the vehicle. Excellent protection from dust and dirt. Only for indoor use.

05

01

Comfort and protection

06

06 LED gooseneck reading lamp

An extremely bright light wherever you need it, thanks to the flexible silicone rubber neck. Ultimate stability in all positions. Connection via the cigarette lighter.

07 Care products

Tailored to the high-quality materials used to construct your Audi. Suitable for numerous applications, either in the vehicle interior or for outer care, depending on the product.

08 Mud flaps (not pictured)

Made from high-quality plastic. Prevent damage to paintwork and stop dirt building up in the area around the sills and rear apron of the vehicle. Available as a two-part set for the front and/or rear of the vehicle.

09 Rubber floor mats

Made-to-measure. Enhanced protection against heavy soiling. Secured to the vehicle using the fixing points on the floor. Featuring the TT logo.

10 Premium textile floor mats

Made from durable, tightly woven velour. Tailored to the dimensions of the Audi TT floor. Secured to the vehicle by the special coating on the underside and the fastening points on the vehicle floor. Featuring the "TT" logo.
